In the specification:

Please insert the following paragraph at page 4, line 18 of the original filed specification (WO 2005/031596):

Another embodiment provides a computer readable medium having a program recorded thereon, wherein the program is adapted to make a computer perform the method of the embodiments. The computer readable medium may be any data storage device that can store data as a program, which can be thereafter read by a computer system. Examples of the computer readable medium include read-only memory, random access memory, CD-ROMs, magnetic tapes, floppy disks and optical data storage devices.

Please amend coefficients "$\underline{x}_1$" on page 11, line 30 of the originally filed specification to "$\underline{x}_2$".
